Subject: Help Russ Get In The Race!

OFFICE

Russ Ramsland, leader of the Park Cities/Preston Hollow Leadership Forum, has initiated an exploratory committee to determine whether he will challenge Pete Sessions in Texas U.S. Congressional District 32 in the next primary. He believes it is past time to remove career politician Pete Sessions and elect a true conservative who will faithfully represent the will of his conservative constituents in Washington.

The function of an exploratory committee is to help determine whether a potential candidate should run for an elected office. In order to attract the major funding required to campaign effectively against a Republican Establishment incumbent, especially in our media-intense area where broadcast messaging is costly but necessary, Russ must demonstrate that he has the financial support and broad appeal required to make him a viable candidate. The national groups that are following Russ's effort will be evaluating the performance of his exploratory in the **first part of July**.

Here are two things you can do to ensure that Russ will enter the race to unseat Pete Sessions:

- Donate to Ramsland Exploration **before July 10th!** Complete the attached form and mail it

Russ believes ***to send a different message to Washington, we need to send a different messenger.*** A defeat of Pete Sessions would send a powerful message to Republicans nationwide that voters are ***ready to correct the course***

- Derailing (thus far) any conservative change in the Common Core federalized controls over our public schools.

Contributions for all segments can be made during the exploratory period and will be considered by Super PACs when evaluating the viability of a candidate.

Contributions for each segment must be made by separate check as follows:

Contribution to the exploratory committee, which will become contributions to the primary segment if Mr. Ramsland declares as a candidate, should be made to "Ramsland Exploration"

Contribution to a runoff segment should be made to "Ramsland Exploration RO", and

Contribution to the general election should be made to "Ramsland Exploration G".

If the minimum funding level required for participation in a campaign by Super PACs is NOT achieved, all unexpended funds in the accounts will be returned pro-rata to donors.

Welcome to the official web page for the Russell Ramsland Exploratory Committee.

Please note that this is an EXPLORATORY effort at this time, and Russell is not a candidate for any public office, nor has he decided to become a candidate.

Russell is exploring a possible run for office in Texas Congressional District 32, which includes portions of North Dallas, the Park Cities, Richardson, Garland, Mesquite, Rowlett, Wylie and Sachse.

Russell's decision will depend greatly on the level of support he receives from the local community.

We welcome you to this site and encourage you to have a look around.
